

Journeyman Outside Electrical Line Worker

Recognized as one of the most progressive utilities in Alaska, Alaska Power & Telephone (www.aptalaska.com) currently provides service to communities located above the Arctic Circle, deep in the Wrangell Mountains and throughout the islands of Southeast Alaska. We travel by boat, floatplane, snow machine, riverboat, helicopter and all-terrain vehicles. AP&T is an employee owned, vertically integrated utility that independently owns and operates ten isolated power systems across a large expanse of Alaska. We incorporate hydro, solar and diesel resources to provide economic power to the communities we serve.

We are recruiting for a **Full-Time Journeyman Outside Electrical Line Worker** at our **Klawock, Alaska location**. A successful candidate will be a self-starter, highly motivated, flexible, detail-oriented, willing to follow directions, and willing to travel. They will possess excellent team and interpersonal skills, and the ability to work with minimum supervision.
