Job Duties and Responsibilities:

- Basic telephone installation, troubleshooting and repair
- Placing, maintaining, and repairing outside telephone/communication plants, including copper, fiber, and coaxial cables
- Work service orders and trouble tickets; records management
- Use of typical industry test equipment to troubleshoot faults, perform maintenance, and monitor equipment
- Complete work from engineering drawings, using standard tools, materials and procedures
- Basic programming of soft switch and broadband loop carriers
- Other duties as assigned

Qualifications:

- High School Diploma or GED
- Basic knowledge of networking, computer skills, key system installation and troubleshooting
- Experience with pole climbing, ladders, and bucket truck techniques
- Alaska driver's license and ability to be insured by AP&T
- First Aid Card, CPR Card, Flagging Certificate
- Excellent customer service skills
- Ability to safely lift up to 60 pounds
- Willingness to work in adverse weather conditions
- Willingness to travel to other AP&T exchanges and remote locations
- Must have the ability to recognize full spectrum of color
