Alaska Power & Telephone Company **Heat Pump Incentive Application**

Thank you for your commitment to clean energy and beneficial electrification in rural Alaska! To receive a heat pump incentive payment from AP&T, please follow the steps below:

1. Review program guidelines to verify your project is eligible. Please note that applications are only accepted after the heat pump has been successfully installed.
2. Please return the completed form to your nearest AP&T Service Center, or to jason.c@aptalaska.com
3. Notify AP&T when the installation has been successfully completed. An AP&T employee will inspect and verify the installation.
4. AP&T will mail your incentive payment after the inspection is complete.

UPDATE: If you are a Sealaska shareholder, you may be eligible for an additional \$500 incentive (for \$1,000 total), thanks to generous match provided by Sealaska Corporation! Please indicate your shareholder status on the form below, and AP&T will contact Sealaska to verify eligibility.
