- Work service orders and trouble tickets; records management
- Use of typical industry test equipment to troubleshoot faults, perform maintenance, and monitor equipment
- Complete work from engineering drawings, using standard tools, materials, and procedures
- Basic programming of soft switch and broadband loop carriers
- Other duties as assigned

### **Education and Experience Requirements:**

- High School Diploma or GED
- A combination of the completion of an accredited 5-year Telecommunications Lineworker Apprenticeship program and 5-years working in the field as a Journeyman Technician or a total of 10 years' experience working in the field as a Journeyman Technician

### **Other Qualifications:**

- Basic knowledge of networking, computer skills, key system installation and troubleshooting
- Valid Alaska driver's license and the ability to be insured by AP&T
- First Aid Card, CPR Card, Flagging Certificate
- Excellent customer service skills
- Willingness to travel to other AP&T exchanges and remote locations
- Ability to pass pre-employment background check and drug test

### **Physical Requirements of the Job:**

- The physical demands of the job include standing, sitting, stooping, kneeling, and walking
- Must be capable of safely lifting to 60 pounds on occasion
- Must have the ability to recognize full spectrum of color
- Willingness to work in adverse weather conditions
- Must be capable to working at heights of 60'
- Must be able to climb poles, ladders, occasionally communication towers
- Must be capable of working out of a bucket truck
- Overtime may be required

The pay range for this position is \$44.90 to \$67.35 and is DOE. AP&T offers a generous benefit package including (but not limited to) a \$5000.00 annual medical travel reimbursement, up to \$125 annual medivac reimbursement, employee stock ownership options, a short-term incentive program (annual bonus) and an annual up to \$150 in AP&T logowear. Recognition of our employees is important to AP&T's values. We like to continuously show appreciation and recognition within our teams. AP&T is a small non-union utility serving over 40 Alaskan communities and villages. For more information about our organization, please visit <https://www.aptalaska.com/>.
