Thank you and congratulations on your purchase of an electric vehicle! AP&T is excited to be able to support your commitment to cleaner fuel and new technology through its electric vehicle incentive program. Qualifying purchases are eligible to receive a \$1,000 cash payment.

Here are the steps required to receive your incentive:

1. Please fill out the questionnaire below to provide AP&T with basic information about your EV purchase. Please submit the completed form to incentives@aptalaska.com.
2. AP&T will need to verify the presence of the vehicle in its service area, and the VIN number and registered owner. After AP&T receives your application, we will be in touch about scheduling an appointment for an AP&T employee to verify this information.
3. After ownership information is verified, and a W-9 submitted, AP&T will mail you a \$1,000 check!

Again, thank you for your commitment to cleaner, more sustainable transportation!

Owner Email: _____

How did you hear about the AP&T EV incentive program?

What were the key factors that caused you to decide to purchase an EV?

To what extent did AP&T's EV program influence your decision to purchase an EV?

Are there any other thoughts you would like to share with AP&T?

THANK YOU!
