

**ESOP Participant and Shareholders Announcement
Independent Fair Market Valuation of AP&T Stock as of December 31, 2024**

May 22, 2025

The Alaska Power & Telephone Employee Stock Ownership Plan and Trust (the “ESOP”) requires an annual valuation, by an independent appraiser, of the fair market value of the AP&T shares held by the ESOP. As sponsor of the ESOP, AP&T previously selected Weaver and Tidwell L.L.P. (“Weaver”) to carry out this duty for the year ending December 31, 2024.

The ESOP Trustee has reviewed the independent valuation report by Weaver, which concludes that as of December 31, 2024, the fair market value of AP&T stock was \$68.26 per share.

AP&T’s Board of Directors also reviewed Weaver’s valuation report and price of \$68.26 per share as of December 31, 2024. The Board reminds users of the data that the valuation is limited to ESOP transactions.*

Signed ESOP Trustee,
Argent Trust Company

Signed Board of Directors,
**Bob Engel - Chair, Tom Ervin, Lori O’Flaherty, Randy Johnson, Bill Marks,
Kristin Mellinger, Tina Pidgeon,**

**The Board of Directors’ fiduciary duties include the right to suspend sales at this price should events occur that would not be in the best interests of AP&T and all of its shareholders.*
