

Plant Watchperson-Prince of Wales Division, Hydaburg, Alaska

We have a part-time opening for a **Hiilangaay Hydroelectric facility Watchman in Copper Harbor, AK**. This position will be responsible for bi-monthly hydro plant visits to monitor the facilities and record information. This includes aiding in maintenance, equipment inspections, and monthly walk arounds. Hiilangaay Hydroelectric facility is a remote site that can only be accessed by float plane, helicopter and marine vessel. Must be willing to work flexible hours sometimes with short notice. Must be willing to travel to the remote site in a marine vessel, this includes a small landing craft and open skiff.

We are looking for a dependable, self-starting person that has what it takes to keep the lights on with safety being the main focal point. Our ideal candidate is a person who is driven to serve our customers with a positive "can-do" attitude, who is eager to learn and can work independently.

Duties and Responsibilities:

- Assist power plant operators in routine maintenance
- Accurately record and report information

Required Qualifications:

- High School Diploma or GED required
- Ability to self-motivate and communicate with other team members
- Ability to safely identify hazards and work around electrical and mechanical equipment.
- Mental flexibility, willingness to learn unfamiliar parts of the job and a positive attitude
- Must be able to pass a pre-employment drug test and background check

Desired Qualifications:

- 1 year mechanical or electrical experience preferred.

Physical Requirements of the Job:

- At times work will be performed in loud environments requiring hearing protection
- At times work will be performed in non-temperature-controlled environments
- At times work will be performed around rotating equipment
- At times work will be performed while sitting, standing, crouching, squatting and at heights
- At times work will be performed in a standard office environment with regularly scheduled working hours
- Must be capable of: Safely lifting of up to 30 pounds on occasion
- Safety and PPE must be worn at all times when performing work in the field
- Must maintain good balance at all times

The pay for this position is \$21.00

AP&T is a small non-union utility serving over 40 Alaskan communities and villages.
